

Wyoming Valley RC Flyers New Member Form (2024)

Thank you for joining the Wyoming Valley RC Flyers.

All flying members must have their current AMA card and their WVRFCF club card with them at all times when flying. Our club meetings are held on the second Wednesday of each month. They are held at the Anthracite VFW Post #283, 757 Wyoming Ave. in Kingston Pa. (next to Custom Computers and Curry Donuts) at 7:30 P.M. Please try to attend as many meetings as you can.

The club dues are \$100.00/year (\$50.00/year for Juniors(16 years old and younger))

Please follow these steps to complete your membership.

1. Print out this document to be mailed back to the club.
2. Read and sign a copy of our club rules.
3. Fill out the new member information page.
4. A check for the yearly dues amount made payable to "Wyoming Valley RC Flyers".
5. Please mail the two completed forms to:

Frank Gonczol - 75 Shaver Ave. Shavertown, Pa 18708

Additional information can be found on our website. Our club rules, Calendar, history, bi-laws, constitution, and contact information can all be found there. There are also many fun pictures, videos, news, and upcoming events on the website.

Check the site out often to keep up! www.wyomingvalleyflyers.com

Wyoming Valley Radio Control Flyers Field Rules for:

Moon Lake County Park Flying Field

- Moon Lake Park rules and regulations must be followed.
- No flying nitro or gasoline aircraft will be allowed before 9:00 a.m.
- No charge will be administered for guest flyers.
- Only AMA members will be allowed beyond the "pit" fence.
- No parking of cars is allowed along the "pit" fence. There are signs allowing you to park next to the pit/spectator fence to Unload and Load ONLY. After you have finished unloading or loading-up move your vehicle to the parking area.

There is a space marked for Disabled Parking. Only members with a disabled parking tag can use this spot...limit two vehicles. During club events there will be no parking in these disabled spots.

- All flyers must have a valid WVRFCF Club Membership and AMA License.
- All flyers must show their valid WVRFCF club membership card and AMA License upon request by any other flyer or a Moon Lake Park guard.
- Radio service work should be performed at home.
- Moon Lake flying field boundaries shall be: No flying behind the runway fence or beyond the main road by the pool.
- All engines .15 cubic inch & over must have an effective muffler.
- Channel numbers must be displayed on transmitters using the 72 mhz FM frequency.

- All 72 mhz FM frequency transmitters must be "impounded" under the pavilion.
- Check frequencies before turning on radios and insert your card in the appropriate slot on the frequency board.
- All flyers must follow the flight pattern dictated by the conditions of the day.
- No excess engine running in the "pits". Break in engines at home or behind the parking area after obtaining appropriate frequency clearance.
- No more than four aircraft in the air at one time.
- Taxing into the "pits" will not be allowed.
- Flyers must fly from the flight line.
- Planes should be retrieved by only one person.
- Do not use profanity at the field, display proper courtesy at all times.
- Flyer of a "dead stick" aircraft will have the right-of-way on the field, after proper warning.
- All new members must have their aircraft inspected by an experienced member before flight.
- Student flyers should be helped by a qualified instructor only.
- Littering will not be tolerated.

Signature/Date
